If no number is inserted, the form of proxy will be deemed to relate to all shares of the Company registered in your name(s).
- Please insert full name(s) (in Chinese and in English) and address(es) (as shown in the register of members) in **BLOCK CAPITALS**.
- Please insert the number of shares of the Company registered in your name(s).
- Please insert the name and address of the proxy desired. **IF NO NAME IS INSERTED, THE CHAIRMAN OF THE 2017 FIRST EXTRAORDINARY GENERAL MEETING WILL ACT AS YOUR PROXY.**
- The full text of the resolutions are set out in the notice of the 2017 First Extraordinary General Meeting dated 30 June 2017 which is sent to the shareholders of the Company together with this form of proxy.
- Important: If you wish to vote for any resolution, please tick (“✓”) the relevant box marked “**FOR**”. If you wish to vote against any resolution, please tick (“✓”) the relevant box marked “**AGAINST**”. If you wish to abstain from voting on any resolution, please tick (“✓”) the relevant box marked “**ABSTAIN**”. Any shares voted as “abstain” or waiver to vote will be counted in the calculation of the required majority. Failure to tick any voting box of a resolution will entitle your proxy to cast your vote at his discretion in respect of that resolution. Your proxy will also be entitled to vote at his discretion on any resolution properly put to the 2017 First Extraordinary General Meeting other than those referred to in the notice convening the 2017 First Extraordinary General Meeting.
- Please note that, according to Article 97 of the Articles of Association, the method of cumulative voting will be adopted for the election of directors and supervisors. Under this method, when two or more directors or supervisors are being nominated for election, for any share held by the shareholders, they will have the same number of votes which equals to the total number of directors to be elected. Shareholders may cast all their votes on a particular candidate or on multiple candidates. When you fill in the blanks entitled “Cumulative Voting”, please fill them in accordance with the following instructions:
 - In relation to resolution numbers 1 and 2, for every share held by you, you will have the same number of voting rights which equals to the number of directors or supervisors to be elected. For instance, if you are holding 1 million shares and 2 directors will be elected at the general meeting, the aggregate number of votes which you will have will be 2 million (i.e. 1 million shares x 2 = 2 million voting shares).
 - Please fill in the sections entitled “For” and/or “Against” and/or “Abstain” with the number of votes you intend to cast on each candidate. Please note that you may cast your votes on every candidate provided that the total number of votes which you cast do not exceed the number of votes to which you are entitled; cast all your votes which represent the total number of shares held by you multiplied by the total number of directors or supervisors to be elected on one candidate; or cast your votes which represent the total number of shares held by you multiplied by the total number of directors or supervisors to be elected on certain candidates. For example, if you are holding 1 million shares, the number of your votes regarding the resolution number 1 is 2 million. You may choose to cast the 2 million votes equally amongst the 2 candidates (For or Against), or to cast all your votes on a single candidate (For or Against) and not cast any vote on the other candidate.

- (iii) When the total votes, represented by the shares held by you multiplied by the number of directors or supervisors to be elected, are used up after voting for some of the candidates, you will have no votes remaining to be cast on other candidates. i.e., the total number of both of your "For" and "Against" votes cast shall not exceed the aggregate number of votes to which you are entitled.
 - (iv) Please note that when the total votes cast by you on some candidates exceeds the total votes to which you are entitled, all the votes cast will become invalid and be regarded as abstain votes; when the total votes cast by you for some candidates are less than the total votes to which you are entitled, the votes are valid and the remaining votes will be regarded as abstain votes. For example, if you are holding 1 million shares, the number of your votes regarding the resolution number 1 is 2 million: (a) if you fill in the "For" or "Against" or "Abstain" of "cumulative voting" under a particular candidate with "2 million shares", you have used up all the votes to which you are entitled, which results in you having no votes for the remaining candidate. Should you fill in the blanks under the resolution number 1 with any number of shares (other than 0), all your votes on resolution number 1 will be invalid; or (b) if you fill in the "For" (or "Against") or "Abstain" of "cumulative voting" under candidate A with "500,000 shares" and under candidate B with "500,000 shares", the 1 million of votes cast by you are valid and the remaining 1 million of votes will be regarded as abstain votes.
 - (v) Where the "For" votes cast for a particular candidate are more than half of the total number of shares held by all shareholders attending (before cumulation) and where the "For" votes exceed the "Against" votes, the candidate in question will be considered to have won the votes. If the number of candidates who have won the votes exceed the number of directors to be elected, the candidates who obtained more "For" votes should be elected (if some nominees who obtain relatively less "For" votes obtain the same number of "For" votes and election of them will result in the directors to be elected exceeding the number of directors to be elected, such nominees will not be regarded as having won the votes); Where the elected directors at the shareholders general meeting are less than directors to be elected, new rounds of voting are required to be held for election of the remaining directors until the number of directors to be elected are fulfilled.
 - (vi) When a new round of director or supervisor election is held pursuant to the (v) above, the calculation of cumulation should be based on the directors to be elected during the round of election in question.
